

## Exciting changes are coming to the Saint John City Market

With the adoption of a new strategic plan, there are significant enhancements planned for the Saint John City Market over the next 10 years. Don't miss your opportunity to be part of something BIG!

## Secure Your Place

There are only select stall spaces available in the Saint John City Market. If you're looking for an Uptown location, the time is now. The Saint John City Market is geared towards new and established businesses, acting as a collision zone for like-minded entrepreneurs.

## Destination Excellence

CHANGE IS COMING.

**"The City Market Strategic Plan recommends 65 actions to be delivered over the next 10 years. However, the next 3 years will be the most transformational".**

Implement a two-aisle layout with kiosk bench vendors, a central seating deck, and public art.

Develop South Market Street as a pedestrian first transportation priority by improving the outdoor experience including canopies, seating, and bike parking.

Establish a publicly accessible mezzanine level to support service and product-based businesses.

Improve bathroom design for quality, safety, capacity, inclusion and accessibility.

Explore new design potential for the plaza at the intersection of Germain and South Market to enhance the community experience.

Foster arts and culture with the potential for a learning corner and flexible bandstand.

Construct a professional incubator kitchen for short-term rentals by emerging businesses.

Consider solar or micro-wind turbine generation, options for a green rooftop, or occupied patios.

Explore options for improving and modernizing the solarium to enhance the connection between indoors and outdoors.
